Motioned by:

Honorable Kyle Gabrielle DR. Navarro

WHEREAS, such a threat could be mitigated through the delivery of various nutrition – specific and nutrition – sensitive interventions, as related interventions, which are best identified and implemented through processes that allow the maximum participation of those affected;

WHEREAS, the delivery of quality nutrition – specific and related interventions could be facilitated through clear and practical quality standards;

WHEREAS, on 03 December 2009, the NNC Governing Board approved the Resolution No.1 adopting the National Policy on Nutrition Management in Emergencies and Disasters;
